- Module Courses: A Drop is the removal of a course from a student's transcript anytime during the 100% refund schedule. During the 75% refund schedule (after the second class session) until the last day of the face-to-face portion of modules, students will receive Ws when withdrawing from a module course. Beginning the Monday after Modules courses until the last day to withdraw from a module (one week prior to post-course work ends), students will receive WPs/WFs (Withdraw Passing, Withdraw Failing). During the 75% refund schedule through the through the sixth week after Semester Start Date, students will receive Ws when withdrawing from an Online, Block, or Hourly course. Beginning the Monday of the seventh week after Semester Start Date until the last day to withdraw from an Online, Block, Hourly course (Thursday before final exam week), students will receive WPs or WF. In either case no credit will be assigned for the course. The WP will not affect the student's grade point average, but the WF will.
- Drops/Withdrawals are effective only after the completed form is processed by the Registrar's Office.
- Refund Schedule: The percentage of tuition returned to student based upon the refund schedule is provided by the Business Office. Refund schedules are available in the Student Accounts Office, Registrar's Office, and in the NTS Catalog.
