

ANNUAL SEMINARY OFFERING

NTS . . . a Missional Seminary Serving a Missional Church

The Seminary Offering—annual church giving—is the lifeline of NTS. It enables us to keep tuition down and to provide scholarships. It also helps with faculty, facilities, and technology—everything necessary for carrying out our mission to prepare women and men to be faithful and effective ministers, and to serve as a theological resource to the Church.

Thank you for including NTS in your global ministry focus this year.

When asked how NTS has impacted their lives and ministries, here is what a few of our graduates had to say:

“My time at NTS matured me in many ways and formed my deepest convictions concerning the message, experience, and life of holiness.”

— *Dr. John Seaman ('77), Michigan District Superintendent, Church of the Nazarene*

“The daily weaving of congregational life and classroom study has proven to be a means of grace for me and for the church. Thanks to the formation offered at NTS, I am able to take the work of the classroom and implement it into the life and ministry of our church.”

— *Rev. John Ramsey, Current NTS Student, M.Div. Program & Pastor of Canaan Hill Church of the Nazarene in Lawson, MO*

“My time as a student at NTS not only gave me the tools to be a lifelong student of God’s Word and our world, it also formed and solidified my identity in Christ. In fact, NTS continues to shape me to this day. My ministry effectiveness and fulfillment are much greater because of NTS.”

— *Rev. David Busic ('93), Senior Pastor, Bethany (OK) First Church of the Nazarene*

Are you unprepared to contribute today? You may make a gift online at <http://www.nts.edu/support-nts>.
