

Reclaiming Paul

The Apostle in the Emerging World

October 22 - 24, 2008 ♦ Kansas City, MO

presented by **Nazarene Theological Seminary** in partnership with **Emergent Village**

hosted by **Jacob's Well Church** (1617 West 42nd Street in Kansas City, MO)

"Reclaiming Paul: The Apostle in the Emerging World" will bring together Pauline scholars and emerging church leaders for a robust theological conversation on Paul and the Church. The purpose of the event is to provide resources for appropriating Paul to leaders of local churches, and at the same time, provide top Pauline scholars with exposure to leaders of local communities where some of their proposals about Paul are already instinctively embodied. There will be plenty of time for interaction between the conferees, Pauline scholars and emerging church leaders.
