

NAZARENE THEOLOGICAL SEMINARY  
PLACEMENT STATISTICS

Placement In Employment: Each year the graduating class is surveyed regarding their placement into ministry assignments such as pastor, associate pastor, chaplain, etc., at the time of graduation. Statistics for those placed into ministry contexts at the time of graduation for the most recent five years are as follows:

2013	75%
2012	74%
2011	87%
2010	77%
2009	72%

An email notice regarding where students may locate this report on the NTS website is sent each October to all current and prospective students.
