

## **Pastor of Outreach and Community Building**

Baker Street Wesleyan Church (BSW) in Wisconsin Rapids, Wisconsin is seeking a young pastoral family to join our church staff and focus on outreach and creating community in the church. The ideal candidate will be extroverted, energetic, and positive. They will have a missional vision to reach the young people of our area and they will have a love for the existing congregation as they focus on community building within the church. We average 60-65 in worship attendance on Sunday morning, reach another 20-30 with our Facebook live stream, and have two outreach micro-churches to the marginalized that average 17. We are known in the community for our clothing ministry that reaches over 2,000 persons annually and for our sea container partnership with Zambia

We prefer a candidate with a bachelor's degree in a ministry-related discipline but encourage all interested parties to apply. The funding of this position is guaranteed for five years through a generous gift to the church by a long-time member who wishes to see the work of BSW continue for generations to come.
