**Introduction**

Nazarene Theological Seminary (NTS) is a Christian learning community committed to excellence in the preparation of women and men for faithful and effective ministry in a global context. Our goal is to join with God’s mission of redemption and reconciliation. Our historical context is the Wesleyan-Holiness tradition, considering the needs and development of the whole person for Christian ministry.

NTS was established in 1945 with a vision to prepare women and men for Christian ministries in the context of the local church, educational institution, mission agencies, and community services.

The Seminary has been fulfilling this vision for more than 75 years. Today, NTS graduates span the globe serving in various expressions of leadership in the church and to the world in Jesus Christ's name.

**Statement of Belief**

Nazarene Theological Seminary (NTS) is an official institution of the Church of the Nazarene. Our curriculum and teaching are guided by the “Agreed Statement of Belief” of the Church of the Nazarene ([Manual](#), paragraph 20, 2017-2021).

We believe,

1. In one God – the Father, Son, and Holy Spirit.
2. That the Old and New Testament Scripture, given by plenary inspiration, contain all truth necessary to faith and Christian living.
3. Human beings are born with a fallen nature, and are, therefore, inclined to evil, and that continually.
4. The finally impenitent are hopelessly and eternally lost.
5. The atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
7. The Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.
8. Our Lord will return, the dead will be raised, and the final judgment will take place.

**Mission Statement**

The Mission of the Nazarene Theological Seminary is to form faithful and effective ministers of the Gospel of Jesus Christ to participate in the reconciling of the world to God. (2 Corinthians 5:18-20)

**Purpose**

Theologically, NTS is rooted in the historic Christian faith as expressed in the Church of the Nazarene. Affirming the Wesleyan-Holiness tradition with its emphasis upon transformation of heart and life, we seek to explore and develop this tradition in contemporary contexts.

Spiritually, NTS seeks to nurture a living faith through spiritual formation. In community, we desire to know and love the Lord, walk with the Lord, and speak of the Lord, increasing our commitment to Christ and his service.
Academically, NTS is committed to grounding students in the classical and applied theological disciplines for the practice of ministry. We affirm Holy Scripture as the primary, final and decisive norm of teaching, while making full use of tradition, experience and reason as tools in biblical interpretation and theological formulation.

Professionally, NTS purposes to equip students for the practice of ministry throughout the world, across the entire range of contemporary societies, using every means consistent with the message of the gospel. Called to serve a global church, NTS seeks to reflect diversity in its life and work and to equip ministers to serve in multicultural contexts. Consistent with the gospel and its Wesleyan-Holiness heritage, NTS seeks to nourish students' passion for evangelism, compassion toward the needy, a desire to strive for social and economic justice, and an understanding of the formation of a missional Christian community.

These elements, properly integrated in a community of worship and learning, are designed to prepare graduates committed to the commission entrusted to the church by its risen Lord to preach the gospel to everyone, to administer the sacraments, to build up the believers in the Body of Christ, and to equip them for service in the world.

As a post-baccalaureate educational institution, the Seminary's principle focus is its academic curriculum that leads to the Master of Divinity degree, Master of Arts degrees in areas of theological studies and specialized ministerial leadership, and the Doctor of Ministry degree. In addition, NTS offers various graduate certificates and diplomas. Recognizing the need for life-long learning, Faculty are also actively engaged in providing resources to the wider church through a variety of means, including the NTS Center for Pastoral Leadership.

A Global Perspective

All NTS students bring to the process of theological education a worldview that is influenced by the particular religious communities, familial contexts, educational experiences, geographical regions, and national cultures in which they were formed.

In addition to helping students identify what in their own backgrounds is profitable for ministry and personal growth, the Seminary also attempts in numerous ways to develop in its students a significantly expanded understanding of and appreciation for cultures, worldviews, religions, and social structures other than their own.

Developing persons who have both a contextual and global perspective, and who think about Christian ministry in both contextual and global terms, is a principal goal of NTS. That goal is pursued through numerous channels, such as guest lectures, courses in other world religions, guest speakers in chapel, student forums, and contextualized education opportunities.

History

The Church of the Nazarene, founded in 1908, has since its beginning stressed the importance of education. It started and developed several denominational colleges to meet the demand of its constituents for college training, and for some time it relied on the religion departments of its colleges as the principal means for training its ministry. However, during the quadrennium of 1940-1944, sentiment favoring the establishment of a central theological school grew rapidly and finally crystallized in an action of the Annual Conference of the District Superintendents held in Kansas City, January 5-6, 1944, recommending that the Board of General Superintendents appoint a Seminary Commission to study the need for such an institution. On January 10, 1944, the Board of General Superintendents appointed the commission: Russell V. DeLong, chairman; M. Lunn, secretary; E.O. Chalfant; M. Kimber Moulton; and Harlan Heinmiller.

The commission reported its findings to the Eleventh General Assembly of the Church of the Nazarene held in Minneapolis in June 1944. This assembly authorized the establishment of the Seminary as a graduate institution of the Church of the Nazarene. The first Seminary Board of Trustees was then elected, and the name Nazarene Theological Seminary was chosen. The Board of Trustees unanimously selected Kansas City as the Seminary’s location.
At a special meeting in Kansas City, September 1944, the Board of Trustees unanimously elected Hugh C. Benner as the Seminary's first president.

Meeting in January 1945, the Board of Trustees elected the following full-time faculty: Russell V. DeLong, district superintendent of the Northwest Indiana District, as Dean and Professor of Philosophy of Religion; Ralph Earle, Professor of Greek and New Testament at Eastern Nazarene College, as Professor of Greek and Bible; L. A. Reed, pastor of First Church of the Nazarene, Chicago, as Professor of Preaching and Pastoral Ministry; Mendell Taylor, Dean and Professor of History at Bethany Nazarene College, as Registrar and Professor of Church History; and Stephen S. White, Professor of Philosophy and Theology at Olivet Nazarene College, as Professor of Theology.

NTS started its first school year in September 1945 in temporary quarters with 61 enrolled. The Nazarene Publishing House generously provided space for administrative offices and a classroom on the first floor of the General Editorial Building, 2901 Troost; and the management of the denominational headquarters building extended a similar courtesy in providing NTS with its main classrooms and chapel. The library was housed in the renovated coach house of the Headquarters property.

In January 1950, a 10.5-acre site was purchased at 1700 East Meyer Boulevard, Kansas City. An administration and classroom building was erected on this campus in 1954. A library building was added in 1966. In 2008, NTS received possession from the Global Ministry Center the King Conference Center, Commons, and additional land that brought the campus to a total of 25 acres.

Governance

The governance of NTS is vested in the Board of Trustees. At the quadrennial General Assembly of the Church of the Nazarene, the USA/Canada caucus authorizes the election of trustees from nominees representing clergy and laity from each educational zone. The Board itself elects 1/3 at-large board members. The president of NTS and the president of the Alumni Association are ex officio members of the Board of Trustees. The Board of Trustees elects the Seminary president, and affirms administrative officers and full-time faculty members (following a nominating process that includes recommendations by the faculty) with the approval of the Board of General Superintendents of the Church of the Nazarene.

Location

NTS’s main campus is located in Kansas City, Missouri. Its historic location at 63rd and Meyer Blvd. is part of a thriving midwestern metropolitan area with a population of over 2 million. Interstate highways and Kansas City International Airport make it easily accessible. Its expanding industry and commerce provide work opportunities. Its educational and cultural institutions offer a wide variety of enriching advantages, among them being the University of Missouri at Kansas City, other Protestant seminaries, the Nelson-Atkins Museum of Art, the Kansas City Public Library and its branches, and the Harry S. Truman Library.

Kansas City is a city of churches that give abundant opportunity for observation and experience relating to the whole field of contemporary church life. It is also well known as a national convention center, and many denominational conferences and assemblies take advantage of the city’s commodious facilities.
National Council for State Authorization Reciprocity Agreements

Praxis at NTS

Formerly known as the Center for Pastoral Leadership, Praxis describes the dynamic relationship between theology and ministry, each informing the other. The goal of Praxis is to support and encourage women and men in ways that will enable them to flourish holistically (vocationally, emotionally, spiritually, relationally) regardless of the season of ministry in which they find themselves by addressing the challenges faced by those in pastoral, local church, and related ministries.

Housed in the Advancement Office of NTS, Praxis assists NTS in fulfilling her mission to form faithful and effective ministers of the Gospel of Jesus Christ to participate in the reconciling of the world to God. It is a mission that extends beyond the classroom to include lifelong learning among our constituent groups ministering in the 21st Century through the lens of our Wesleyan theological tradition.

In sum, Praxis seeks to sustain ministers for a lifetime of effective service to the Church. Praxis initiatives include sponsoring an annual preachers conference, 6-week online classes on current topics, capturing NTS lectureship content, and recording interviews with academic, pastoral, and lay contributors. The Praxis Studio hosts a website with these conversations, serving as an ongoing and vital lifelong resource portal for ministers, church leaders, and others who desire to grow and develop throughout the entirety of their ministerial careers.

Wynkoop Center for Women in Leadership

The mission of the Wynkoop Center for Women in Leadership is to equip, empower, and encourage women called by God to serve in and through the Church of Jesus Christ. This is achieved by helping them recognize and nurture the spiritual gifts endowed by God and prepare the church to receive their ministry through educational initiatives. We empower women to be confident representatives of Jesus Christ and seek to clear the systemic roadblocks they sometimes encounter. We encourage women in ministry by providing opportunities for interaction with effective women leaders in the church.

Alumni Association

The Alumni Association seeks to strengthen the influence of the Seminary by contributing to the advancement and development of NTs and perpetuating the bond of fellowship of the Seminary community through individual acquaintances and friendships. NTSAA membership includes all...
those who have received credit for at least one course at NTS and are not members of the current student body. It includes those who are or have been members of the faculty as well as those who are or have been members of the Board of Trustees. Officers of the NTSAA are elected each quadrennium prior to the General Assembly of the Church of the Nazarene.

Seminary Community Life

An Intentional Christian Community

The chief educational purpose of NTS is to educate candidates for ordained ministry in Christ’s Church. The religious formation of the candidate for ordained ministry is central to the NTS vision of theological education. To lead others in Christian discipleship, a Christian minister must first be one who in all things follows Jesus as Lord and who is now being comprehensively formed in the image of Jesus Christ, by the Holy Spirit, and in the church. NTS is not a church, but it is part of the Church in its educational ministry and function. As such it shares in the Body of Christ a pivotal responsibility for a student's spiritual formation.

NTS expresses its commitment to spiritual formation in numerous interrelated ways. The course of study for each degree, diploma, or certificate involves students in spiritual formation. We believe that the study of theology in a seminary is a form of worshiping God through the service of the mind. As worship, academic study commands one’s best energies, and makes commitment to excellence one way of expressing faith and worship. NTS faculty believe that whatever the course topic they are teaching, they are primarily engaged in the spiritual formation of students.

**Spiritual Formation Emphasis**

As a student enters the path of theological education at NTS, he or she is given several opportunities to explore the vital link between the academic study of theology and the personal and spiritual formation. Students may take individual academic courses in Spiritual Formation and/or earn a Certificate in Spiritual Formation. Periodic retreats and workshops on the Christian spiritual life take place throughout a student’s years at NTS. Opportunities for fellowship and spiritual growth are offered regularly throughout the school year and are open to all NTS students, faculty, and staff.

**Involvement in a Congregation**

NTS strongly encourages students to be regularly involved in the life of a local congregation. Nothing that occurs in the life of the Seminary can replace commitment to, and life in, a congregation of Christian disciples. Life in a congregation is both involvement in, and preparation for, Christian ministry.

**Student Conduct and Status of Enrollment**

Admission to NTS, registration for any class, and continued enrollment at NTS are privileges. To maintain these privileges, students shall conduct themselves in a way that is consistent with the school's mission, policies, and procedures. Students who show unsatisfactory academic, professional, or personal progress or behavior, or who evidence a lack of seriousness of
purpose, or who violate seminary privileges and regulations shall be subject to corrective action, up to and including dismissal from school as determined by the Dean of the Faculty in consultation with other seminary administrators.

NTS will not tolerate violent acts or threats of violence against another person's life, health, well-being, family, or property. NTS prohibits people from bringing or possessing weapons on the premises, including weapons in vehicles parked in seminary lots and garages, and at seminary events. Violation of this policy shall warrant disciplinary action up to and including immediate termination of enrollment.

**Inclusive Language**

NTS is committed to the equality of women and men. Recognizing that people have often used the English language in ways that imply the exclusion or inferiority of women, NTS urges students, faculty, and staff to avoid sexist language in public discourse, in classroom discussions, and in their writings. All written work presented to meet course requirements must use gender inclusive language. Beyond gender equality, this understanding would apply to all persons. Labels to describe people based on ethnicity, phenotype, socio-economic status, educational level, sexual orientation, origin, etc. are often a form of marginalizing others. All written and verbal work for courses and course discussions must be inclusive and should not use descriptive terms in a derogatory manner.

*The Handbook for Inclusive Language* is available on the NTS website, at [https://www.nts.edu/students/](https://www.nts.edu/students/).

**Student Grievance Procedure**

Please refer to the *Student Handbook* for full policies and procedures regarding student grievances.

**Academic Grievances**

For a question regarding a course grade, examination schedules, etc., the student should go directly to the professor and attempt to resolve the problem. If the problem cannot be resolved, the student can turn to the Dean of the Faculty. If resolution cannot be reached, appeal can be made to the NTS Faculty through the Director of Academic Programs or Registrar.

**Student Service Grievances**

For issues related to institutional student services, the student should meet promptly with the staff person or professor directly involved. If a resolution cannot be reached, the student can turn to the Dean for Administration or the Dean of the Faculty.

**Student Life Issues**
NTS has designated faculty members to assist students with personal life issues (relational, emotional, spiritual). Students are encouraged to contact Dana Preusch or Dr. Doug Hardy when seeking professional support for personal life issues.

Services

Housing and Employment

Current housing and employment opportunities can be found on the NTS website at https://www.nts.edu/students/.

Veterans

NTS is approved by the Missouri State Approving Agency for Veterans and is also fully recognized by the Veterans Administration. A student may qualify for Veterans Education benefits if they are either on active military duty, active reserves, discharged from active duty, or the dependent or spouse of a disabled veteran. The purpose of this series is to provide experienced guidance in cultivating spiritual practices and graces that contribute to the maturing and enriching of Christian character.

Joy & Mary Latham Lectures for the Church’s Ministry in Early Childhood

This series provides special emphasis upon the church’s ministry related to early childhood. It is designed to help clergy and other Christian workers understand the importance of the first few years in relation to the later life of the individual, to discover how foundations of faith are laid in these years, and to plan ways to enlist and equip local church laity for ministry to/with young children.

Dr. Paul Orjala was a missiologist, linguist, musician, and pioneer missionary for the Church of the Nazarene. He mentored hundreds of students while serving as NTS Professor of Missiology (1964-1986). This lectureship is designed to bring a specialized insight into the value of religious education in the local church program.

Watkins Lectures on Church Music

Since 1968, this series has highlighted the significant role of music in the worship program of the local church. The series is funded by Dr. and Mrs. Lowell D. Whitsett in memory of Rev. and Mrs. A. C. Watkins (Mrs. Whitsett’s parents).

Leonard Whipple & A. "Bud" Lunn Lectures on Personal Evangelism

Personal evangelism training served as a passion for Leonard Whipple, a layperson in the Church of the Nazarene. Budd Lunn, the CEO of Nazarene Publishing House for many years, was also very supportive of personal evangelism training. Both men felt strongly about beginning a fund at NTS to support an evangelism training program. Unfortunately, Budd Lunn passed away around this time. Memorial funds from friends and family, as well as donations from Leonard Whipple, established the fund that supports this lecture series.

Endowed Faculty Chairs

Endowed faculty chairs have always played a significant role in institutions of higher learning. They serve as a tangible way to recognize someone, as well as to underwrite the salary of a qualified professor in a particular field of study.

Adam Smith/Frank A. & Gladys L. Cooper Chair of Evangelism

This chair was established in 1984 by a generous bequest from the estate of Mrs. Gladys L. Cooper. Dr. Charles “Chic” Shaver was the first to be installed in this Chair in 1985. Upon his retirement, Dr. Lyle B. Pointer was installed in the Chair, in which he served until 2009. Full funding for the chair was completed in 2017 through the generosity of the Smith family.

William M. Greathouse Chair of Wesleyan-Holiness Theology

This chair was established to provide funding for a faculty member teaching Wesleyan-Holiness theology. The chair is named in honor of Dr. William M. Greathouse, preacher, former Nazarene General Superintendent and NTS President Emeritus. Dr. Steve McCormick served in this chair from 2005 to 2022.

Willard H. Taylor Chair of Biblical Theology

Admissions Information

Master-Level Criteria for Admission

The requirements for admission to graduate theological study in a seminary as stated by our national accrediting agency, The Commission on Accrediting of Association of Theological Schools, are that a person shall hold an accredited bachelor's degree from a college or university that holds membership in the Association of Universities and Colleges in Canada, or is accredited by a regional accrediting association, or the Association for Biblical Higher Education. Demonstration of the equivalent of this level of educational achievement as determined through standards established by the NTS Faculty will also satisfy the entrance requirement. A person who satisfies the part of the criteria applicable to his or her educational context and who meets the following criteria may be admitted to NTS. The Seminary reserves the right to review any supplemental information to an application at any point in the admissions process. Academic and enrollment personnel will evaluate such information for its accuracy and helpfulness to the admissions process.

Admissions Deadlines

Nazarene Theological Seminary’s flexible admissions process does not include early application deadlines, and applicants may be accepted through the start of classes each semester. However, applicants are encouraged to apply by posted scholarship deadlines to take advantage of financial aid opportunities and maximize course registration options.

Priority for Scholarship Consideration (Degree Seeking - Master’s level)

- February 15: Applications submitted by this date for summer or fall admissions will receive first priority.
- November 1: Applications submitted by this date for spring admissions will receive first priority.

Categories of Admission

Admission as a Regular Student

Fulfillment of all the procedures for General Admission and an undergraduate grade point average of 2.5 (on a 4.0 scale), or better, is expected for Admission as a Regular Student. Students admitted on this basis will have no special restrictions placed upon them.

Admission as a Provisional Student

An applicant who does not meet all the requirements for regular admission to NTS may, under certain circumstances, be admitted provisionally for one year. A student granted provisional
admission will be limited to 9 or fewer credit hours per semester until 18 credit hours have been completed at NTS and may be required to work with a coach from the Center for Academic Writing. To have one’s status changed from provisional to regular, the student must establish at least a 2.0 GPA (on a 4.0 scale) and/or remove the impediments to regular admission. If the impediments to regular admission are not removed, the student will not be allowed to register for courses after the completion of 18 credit hours. To apply for re-admission at a later date, the provisional student must submit a petition to the NTS Faculty through the Registrar, who may or may not grant re-admission.

Admission as a Readmitted Student

Students previously enrolled at NTS who want to return must submit an abbreviated Application for Admission. This includes those who want to pursue an additional master’s degree, take post-graduation courses, or be re-admitted after an absence of 2 years or more.

Admission as a Certificate/Diploma Student

Persons seeking to earn a Certificate or Diploma must hold a baccalaureate degree and are required to complete the Application for Admission.

Admission as a Non-Program Student (includes auditors)

Nazarene Theological Seminary permits the enrollment of students seeking to take classes for personal reasons without a specific degree, certificate, or diploma objective. Non-Degree students who possess an accredited undergraduate degree may take courses for graduate credit. Those without a baccalaureate degree will be limited to enrollment by audit unless they complete the admission requirements for persons without a baccalaureate degree. Students are permitted to take a maximum of 15 credit hours under the non-degree enrollment status. After a student has completed general admission requirements, a maximum of 15 credit hours achieved under the Non-Degree enrollment status can be utilized in fulfillment of the requirements for a specific degree program. A student with non-degree status is not eligible to receive Title IV student financial assistance or Nazarene Theological Seminary scholarships. A student with non-degree status cannot register in supervised ministry sections or internships and NTS reserves the right to restrict registration for non-degree students in other courses.

Admission as a Pre-Graduate Student

To encourage capable college seniors to pursue their ministerial education at NTS, pre-registration at NTS prior to graduation from an accredited college is granted under special regulations. If the senior’s GPA at college is 3.5 or better on a 4-point system, application for admission can be made for the last two semesters of the senior year. Registration is limited to no more than 9 hours of seminary course work. If a grade of “B” or better is received in any of the seminary courses, the credit may be applicable to both undergraduate and seminary graduation requirements. Undergraduate institutions determine the applicability of the student’s seminary course credit toward the completion of the undergraduate degree. Failure to complete
the college graduation requirements at the stated time will bring the student under the seminary’s probationary regulations.

Procedures for Admission

Applicants for all programs, including non-program applicants, must make formal application for admission.

Admission for Master-level First-time Applicants

All first-time applicants must submit:

1. A completed Application for Admission including both of the following:

A student will not be allowed to register for more than one semester without a final transcript on file at NTS.
4. If a student is applying to audit a course, a Request to Audit form must be submitted to the Registrar’s Office.

**Guest Student**
Nazarene Theological Seminary welcomes guest students from other institutions for limited enrollment. A Non-Program Application with authorization from the home institution is required for admission. It is the applicant’s responsibility to ensure that the home institution will accept the transfer credit. Upon the completion of a given course, an academic transcript can be requested from the Office of Enrollment Services for the transfer of credit to the home institution.

International Student Admission

In addition to the standard procedures for admission, international applicants, both master-level and Doctor of Ministry applicants, must submit the following:

1. **Test of English as a Foreign Language (TOEFL):** An applicant whose primary language is other than English is required to give evidence of proficiency in the English language before being accepted. A minimum score of 550 (paper-based test) or 79-80 (internet-based test) on the TOEFL will be the standard for judging that an applicant is proficient in the English language. The test may be waived for students who have completed a post-secondary degree at an institution in which the primary language of instruction is English. Since the customized courses and the dissertation for the DMin may be completed in the student’s primary language, exceptions may be considered for applicants who test high for listening and speaking. Test scores must be no more than two years old. For more information about this test, contact the Educational Testing Service:

   TOEFL/ ETS Services
   PO Box 6151 | Princeton, NJ 08541-6151

2. **A Certified English Translation of Transcripts:** International applicants who have transcripts in a language other than English must provide official transcripts accompanied by certified English translations. A certified English translation must be completed by a qualified disinterested third party. There are many services to choose from and is the responsibility of the applicant. We recommend [https://www.uscts.com](https://www.uscts.com).

3. **Foreign Credentials Evaluation:** International applicants will need their transcripts evaluated by a foreign credentials service to establish US equivalency for their academic achievement. There are many services to choose from and is the responsibility of the applicant. We recommend Foreign Credentials Service of America: [https://www.foreigncredentials.org/](https://www.foreigncredentials.org/)

Upon acceptance to NTS, a Financial Affidavit and all supporting documents to verify sources of support will be required. Then, an I-20 Certificate of Eligibility for Nonimmigrant (F-1) Student Status will be issued.

All individuals interested in being admitted through the undergraduate degree exemption process should contact the Office of Enrollment Services for a consultation before beginning the admission process.

Immigrant Students

NTS is authorized under federal law to enroll nonimmigrant alien students.

Course Options

Students who have received a “B” or better grade for any course that parallels an NTS required course may receive a “course option” in some degree programs. They may be permitted to move immediately to more advanced courses. Course options do not reduce the number of hours required for graduation, but they do allow a student more flexibility to build on the undergraduate foundation.

Transfer of Credit

Transfer of credit is the responsibility of the receiving institution. Any student interested in transferring credit hours should make note of that during the admission process so enrollment personnel can determine if any credit hours can be transferred.

When transferring courses, a student must present an official transcript and be in good standing with the institution from which the student is transferring. A regularly admitted student may transfer as many as 36 hours to be credited toward the MDiv, 18 hours toward the MATL, 24 hours toward the MAICS, and 24 hours toward the MATS. The transfer hours must be graduate hours from an accredited institution and validated by a cumulative GPA of 2.0 or better, and
consistent with the program of study to which it would be applied. No more than one half the
hours applied to an earned graduate degree may be applied to an NTS degree. Only courses in
which a student has received a grade of "C" or better may be transferred. A maximum of 15
credit hours may be transferred from an unaccredited institution.

By policy of the Association of Theological Schools, credit hours older than 10 years may not be
applied to the graduation requirements of a professional degree. A student may petition for an
exception through the Office of Enrollment Services.

The Academic Year

The regular academic year is divided into two semesters, each consisting of at least 14 weeks of substantive interaction. To assist students in balancing school, work, church, and family responsibilities, courses are offered in different formats during the semester.

Summer Courses

Summer courses are typically offered in both online and hybrid (including video conferencing) formats. The summer “semester” is 15 weeks with courses generally following an accelerated 10-week format equivalent to 14 weeks of substantive interaction.

Hybrid Courses

Hybrid courses are offered each semester and during the summer and require weekly interaction for the duration of the course. Hybrid courses combine the asynchronous elements of an online class with a required number of face-to-face hours during the class. Since the face-to-face hours comprise a fundamental part of the course learning hours and pedagogy, full attendance of the scheduled face-to-face is required.

Weekly Video Conference Courses

During the semester, classes are offered on Tuesdays and Thursdays throughout the week. Other than asynchronous courses (online), class sessions are 2 hours in length and meet one time each week via Zoom.

Online Courses

Online courses are offered each semester and during the summer and require weekly asynchronous interaction for the duration of the course. While online courses are largely asynchronous in design, an opening synchronous video class session is standard and scheduled for the first week of the course.

Hybrid Courses

Certain classes are offered by video conference with a required, one-week, 16-hour intensive seminar in person. These hybrid courses ensure face-to-face interaction with peers, seminary faculty, and staff.
Academic Regulations

All work done to gain course credit in an NTS degree, certificate, or diploma program should evidence graduate level quality. Professors are expected to assess a student’s work accordingly. Only those students who exhibit an ability to work successfully at the graduate level will be allowed to remain as matriculated students.

Additional details regarding academic regulations are stated in the current Student Handbook.

Academic Probation

A student must establish an average GPA of 2.0 or higher in the first year and maintain this average through the course of study. Students will be reviewed each term after final grades are submitted.

The Academic Probation policy applies when a student’s GPA falls below 2.0 in a term or cumulatively. A student who is placed on Academic Probation will remain on probation until their cumulative GPA is above 2.0.

The probation procedure is as follows:

1. After the first term in which a student's term GPA falls below 2.0, they will receive a letter from the Associate Dean of Academic Programs informing them of the probation policy.
2. After the second successive term in which a student’s term or cumulative GPA falls below 2.0, they will be placed on academic probation and required to meet with the Associate Dean of Academic Programs to create an academic success plan.
   a. If a student's term or cumulative GPA remains below 2.0 the term after being placed on probation, they will be required to meet with the Associate Dean of Academic Programs to review and update the academic success plan.
3. If a student’s term or cumulative GPA falls below 2.0 for three consecutive terms, they may not be allowed to register in a subsequent term. In order to re-enroll, the student must submit a petition to the NTS Faculty through the Office of Enrollment Services.

Change in Degree Program

The student must declare their intended degree program at the time of initial registration. The intended degree program can be changed by permission of the Associate Dean of Academic Programs and Enrollment and the Registrar.
Changes in Registration

Students have the ability to manually add or drop classes within the student portal until the end of the first week of classes. After the first week of classes, the student is responsible for initiating the process by contacting the Registrar. (For information on how changes in registration will affect tuition and fees, please see Financial Policies on page 28 of this catalog.) Mere absence from class sessions will not constitute withdrawal. Unapproved withdrawal from any course will result in the recording of a failing grade on the student’s transcript; approved withdrawals will result in the recording of a W on the student’s transcript.

If you would like to withdraw from the Seminary, you must submit a Request for Withdrawal Form located on the website (nts.edu/students) or contact the Registrar.

Completion of Studies

The program of study for the MDiv Degree (including all hours transferred to NTS) must be completed in a period of nine calendar years from the date of enrollment in the first course taken in the program. By policy of the Association of Theological Schools, credit hours older than 10 years may not be applied to the graduation requirements of a professional degree. The program of study for the MA in Transformational Leadership, the MA in Intercultural Studies, or MA (Theological Studies) (including all hours transferred to NTS) must be completed within 8 calendar years from the date of the first course taken in the program. Continuation in a program beyond the time allotted for completion of studies will be permitted only by approval of a special request made to the NTS Faculty through the Registrar. Permission to extend the stated period of time for completing a degree program will be made only in extraordinary circumstances. In order to maintain the currency of a degree, continuation in a program beyond the allotted time may require the completion of additional hours beyond the stated degree requirements.

Course Recordings

To foster a safe learning environment in which various viewpoints are respected, audio or video recordings, or transcripts thereof, are prohibited without the permission of the faculty of record for the course. If permission is granted, redistribution of these recordings, or transcripts thereof, outside the scope of the course is prohibited.

Students enrolling in online, hybrid, or video conference courses may participate in synchronous activities and should be aware that their images and voices will be transmitted digitally and may be recorded. Continued enrollment in these courses constitutes willingness to participate in the class with these conditions. If a student has privacy concerns, he or she should discuss his or her enrollment with the Registrar.
Cross Registration

Full-time students at NTS may, by cross registration, take up to 9 credit hours during any academic year in any of the seminaries of the Kansas City Association of Theological Schools (KCATS): Central Baptist Theological Seminary, Midwestern Baptist Theological Seminary, and Saint Paul School of Theology. Cross registration agreements also exist with graduate programs at Nazarene Colleges and Universities in the U.S. and Canada. Courses taken are normally electives. Arrangements for cross registration are made with the Registrar.

Directed Study & Directed Research

Directed Study

Directed Study is for students who need catalog-listed required courses, but who, because of conflicts in class scheduling, are unable to take them in regular class session. This privilege is only available to students who have completed at least 15 credit hours of NTS credit, are enrolled at least half-time, and are pursuing a degree. The normal expectation is that such directed studies would be taken from the professor who regularly teaches the class.

1. Directed Studies should be constructed to expect 45 hours of work per credit hour.
2. Directed Studies should require, as much as possible, the same course requirements as listed in the most recent syllabus on file, plus requisite hours for participation and attendance. Where course requirements include group assignments, corresponding individual assignments should be given.
3. Directed Studies should generally not be taken before the senior year except in cases where the Registrar can see that there will be a conflict in the senior year, or in cases where the course is prerequisite to another course. Directed Studies for required courses should be approved only when the Directed Study is the best possible means of meeting the graduation requirement given the student's schedule.
4. Requesting non-required courses by directed study is discouraged.

Directed Research

Directed Research is available to superior students who wish to do research in a particular area of interest.

1. The student should complete a request form indicating the rationale for the request. The form is available in the Office of Enrollment Services or at https://www.nts.edu/students/.
2. The student must obtain a recommendation in the form of a learning contract from the professor who is to supervise the research. Directed Research classes should generally expect 45 hours of work per credit hour.
3. The completed form and learning contract must be presented to the Dean of the Faculty who will approve or disapprove the request.

Limits

1. No student will be allowed to enroll for more than 9 credit hours of Directed Study and/or Directed Research in the MDiv degree program, and 6 credit hours for the other degree programs, without petition to Associate Dean of Academic Programs and Dean of the Faculty through the Registrar, subject to ATS guidelines.

2. No student may enroll for more than three hours of Directed Research and/or Directed Study in a semester without permission from the Associate Dean of Academic Programs and Dean of the Faculty, requested through the Registrar.

Frequency of Course Offerings

Courses are normally taught no more than once a year. Required courses are generally offered every other year. Students should plan their schedules alongside their degree audit and may seek consultation from the Registrar.

Grading System

The following letter grades are used for final course marks and for permanent records. A grade assigned in a course may not be challenged more than one academic year following the date the grade was assigned.

Graduation Honors

The “honors” are computed based on the grade point average for all semesters in which the student is enrolled.

3 levels of honors have been established (on the 4.0-point system):

- Summa Cum Laude 4.00
- Magna Cum Laude 3.80
- Cum Laude 3.50

Incomplete Grades

If a student is unable to complete the requirements of a course, he or she may consult the professor to determine whether he or she is willing to grant the student an “I” or “INCOMPLETE.” Request for Incomplete forms can be found at https://www.nts.edu/students/. A $25.00 fee will be assessed for each “I” grade petition filed. A request for an Incomplete must be filed with the Registrar by the Thursday prior to the final week of the course.

Upon approval, students will be granted an additional semester to complete the course requirements. The professor’s due date for grade submission for incomplete work is the same as the due date of grades for the following term. (Fall incomplete grades are due with the following Spring grades; Spring incomplete grades are due with Summer grades; Summer incomplete grades are due with the following fall grades.)

Incomplete work is due the following term on these dates:

- Fall Semester Incomplete work is due no later than April 20.
- Spring Semester Incomplete work is due no later than August 1.
- Summer School Incomplete work is due no later than November 30.

The alternate grade as stated by the professor will be automatically assigned to the student by the Registrar if the incomplete grade is not turned in by the due dates listed above. If work is not completed by the due dates specified above, a grade of F will be assigned for the course.

Adaptive Learning Strategies

In accordance with the provisions of the Rehabilitation Act of 1973, NTS is committed to providing students with disabilities the opportunity to participate and benefit from its programs and activities. Accordingly, NTS will make reasonable modifications to its programs and activities to accommodate otherwise qualified students with disabilities, unless such modifications would impose an undue burden on the operation of the particular program or
activity or would fundamentally alter the nature or purpose of the program or activity. Students needing accommodations should contact the Office of Enrollment Services.

Audit Policy

Those who desire to become conversant with a field of study or to broaden her or his knowledge may audit a course if space is available after credit-seeking students are enrolled in the class. A Request to Audit form must be submitted to the Registrar and permission must be obtained from the instructor(s) to enroll as an auditor. No written assignments or examinations are required, and feedback is given at the instructor(s)' discretion. No credit or grade is given for an audit. A student may only change registration from a credit to an audit before the last day to add classes.

Regular class attendance and participation (at least 75 percent) and reading as assigned by the instructor are expected. Audit hours for each course must correspond with the stated credit hours for the course. Failure to attend 75% of the class sessions will result in the student being dropped from the course and no record of the audit will appear on the student's transcript. The instructor(s) may, at any time, drop an auditing student from the class for failure to abide by the agreed level of participation in class.

Student Course Load

1. The maximum number of credit hours for which a student may register for the academic year is 46 hours. A student may register for a maximum of 15 credit hours for his/her first semester. For all other students, the maximum class load per semester is 17 credit hours. No more than 12 credit hours may be taken during the summer unless otherwise approved by the Dean of the Faculty.

2. For the purposes of reporting to governmental agencies, the following figures have been established class loads:

   a. Full Load = 6 credit hours

   b. Half Load = 3-5 credit hours

Second Degree

A student may earn a second master’s degree by fulfilling all core requirements for both degrees with a minimum of credit hours equivalent to the full credit requirements of the larger degree plus one-half of the credits required for the second degree.
Writing Proficiency

It is assumed that all students will demonstrate competency in English composition in their written work. If a student fails to demonstrate proficiency in English composition, then upon recommendation by two professors who are familiar with the student's work, the student may be required by the Dean of the Faculty to enroll in and complete an accredited program in remedial English at the student's expense. Resources, such as the Center for Academic Writing, are available to interested students. Please contact the Office of the Registrar for more information.

Expenses & Financial Aid

The generous support of the Church of the Nazarene highly subsidizes the cost of theological education at NTS. With this support from the denomination, the Seminary Offering received annually in Nazarene churches, and individual contributions from friends and supporters of NTS, over 70% of a student’s educational costs are underwritten. This support enables NTS to offer a much lower tuition rate than what would otherwise be possible.

NTS Tuition and Fees for 2022-2023 Academic Year

Tuition Rate

$550 per credit hour

Audit Tuition Rate

$100 per course, regardless of credit hours or delivery format

Notes: Upon request, the spouse of a student enrolled for credit in a course may audit the same course (same section, same semester) free of charge. Enrollment is subject to the NTS Audit Policy listed in the Academic Catalog.

Fees

$100  Student Fee (per semester)
$100  Technology Fee (per semester)
$25  Late Course Selection Fee
$100  Drop Fee**
$25  Request for Incomplete Fee (per course)
$75  MATS Thesis Continuation Fee
$35  Returned/Reissued Check Fee
$400  DMin Site Visit fee (per semester)
$550  DMin PRP/Dissertation Continuation Fee* (per semester)

Unless stated otherwise, all current tuition and fees are applicable, without reference to when a student began a program of study (i.e., entering catalog year). The tuition rate for all degrees, diplomas, and certificate programs is the same per credit hour. Tuition and fees are subject to change. An up to 3% processing fee may be charged for any credit card transactions.

*For DMin students remaining in the 30-credit hour DMin program offered prior to the 2018-2019 academic year, Continuation Fee is $100 per semester.

**For any course where there is a limited enrollment, a $100 drop fee will be assessed to a student dropping the class within one week of the class start date if NTS is not able to add a waitlisted student to the class.

Financial Policies

1. All tuition and fees must be paid in full prior to the Semester Start Date.

2. Federal Loans and NTS payment plans should be initiated and/or set up with the Financial Aid and Student Accounts prior to the semester start date. If payment arrangements have not been completed and/or no payment has been made on your student account within the first weeks of the semester, you may be administratively unenrolled from your courses for non-payment.

3. If classes are dropped, tuition is refunded on a pro-rata basis according to the following schedule based on a 14-16-week (standard semester) course:
   - Drop prior to and during the 1st week of class: 100% refund
   - Drop during the 2nd week of class: 75% refund
   - Drop during the 3rd week of class: 50% refund
   - Drop during the 4th week of class: 25% refund
   - Drop after the 4th week of class: 0% refund

4. Fees and scholarships are not refunded. Refunds for summer term are computed separately. Students receiving Federal Loans should consult the Financial Aid Handbook or the Financial Aid Office for refund guidelines regarding those loans.

5. Transcripts of credits and diplomas of graduation will be given only after all tuition and fees have been paid. Official transcripts of credit will be sent only upon written request of the student, and only if there are no unpaid charges on the requesting student’s account.

6. Nazarene Theological Seminary will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds due to the individual’s inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided by the Secretary under chapter 31 or 33 of the Montgomery GI Bill.

Questions regarding financial policies or unusual financial hardships may be directed to the Dean for Administration.
Financial Aid

NTS is committed to assisting students in completing their seminary education. The Financial Aid Office will make its best effort to help students identify sources of financial aid. Most students find they need multiple sources of income to finance their education: scholarships, grants, denominational assistance, part-time employment, personal savings, and short-term and federal student loans. We desire to work with students to make graduate theological education possible with minimal long-term debt. The Center for Pastoral Leadership at NTS offers resources in financial literacy and awareness to help with this effort.

Each student should formulate a tentative plan for financing a seminary program. While the plan may not be finalized at the beginning, the student should understand any financial obligations to NTS and probable financial resources to help meet those obligations.

Applying for Financial Aid

1. All new students to NTS are considered for scholarships as part of the NTS application and admittance process. Returning students should submit an annual scholarship application found on the NTS financial aid webpage.

2. Priority application deadlines for next academic year are February 15 (full academic year, beginning in fall) and November 1 (spring semester and/or summer session only).

3. The Financial Aid Handbook, which provides more detailed information concerning policies and procedures for financial aid, is available from the Financial Aid Office or at https://www.nts.edu/tuition-financial-aid-scholarships/.

NTS Payment Plan

An institutional payment plan may be available by contacting the Financial Aid Office. Any student wanting to use an NTS payment plan must contact Financial Aid and set-up the payment plan before Semester Start Date. Failure to set up the payment plan with Financial Aid before the Semester Start Date and/or not making payments according to the terms of the plan may lead to the student being administratively unenrolled within the first two weeks of the semester. If a student is on an institutional payment plan that was finalized before the semester start date but is not abiding by the terms of the payment plan (making on time payments, etc.), then a hold will be placed on the student account and the student will not be able to register for future classes during the normal course selection period, will not receive their degree/diploma if graduating, and will not be able to view grades/receive a transcript.

Denominational Financial Assistance

Wesleyan Loan/Grant
The Wesleyan Church provides financial aid for its members who attend NTS, provided they meet all stipulations for eligibility established by the General Department of Educational Institutions of the Wesleyan Church. Forms for application may be obtained from:

P.O. Box 50434
Indianapolis, IN 46250-0434
www.wesleyan.org/loangrant

Other Financial Assistance

Other forms of outside financial assistance are available, including, but not limited to, scholarships offered by the International Board of Education and Stewardship Ministries of the Church of the Nazarene, military tuition assistance, employer assistance, third party scholarships, etc. See also the Financial Aid Handbook. While NTS makes a best effort to inform students of applicable scholarship opportunities, much of the responsibility of finding and applying for financial assistance outside of NTS falls on the student. Scholarships and grants originating from outside NTS are published as informational only; NTS does not necessarily endorse or promote any outside financial assistance.

Gifts to NTS

Churches, companies, and individuals assist greatly in the educating persons by making gifts (e.g. cash, stocks, securities, real estate) and bequests to NTS. In addition to funding lectureships and faculty chairs (see “Seminary Community Life” on page 13 of this Catalog), gifts to NTS can assist with operational costs, student scholarships and more. Correspondence regarding gifts, scholarships, wills and bequests may be addressed to:

NTS Student Scholarships
NTS scholarships must be applied for annually. See “Applying for Financial Aid” section above. The Scholarship Committee may request additional materials from some applicants to assist with awarding.

**NTS Trustee Scholarship**
NTS Trustees may provide a scholarship to a student who demonstrates potential for academic achievement and a commitment to serve Christ within the Church of the Nazarene. Particular consideration is given to those with demonstrated potential for the integration of scholarship and Christian ministry.

**William Greathouse Foundation**
The William Greathouse Foundation provides scholarships to selected Trevecca Nazarene University graduates attending NTS. The scholarship is administered by and awarded through the Greathouse Foundation in conjunction with the TNU Religion and Philosophy department. Application and selection are done completely through TNU. It is the student’s responsibility to inform the appropriate NTS offices (Enrollment Services, Financial Aid) of the reception of this award.

**Annual & Endowed Scholarships**
Many donors have established scholarships at NTS. These scholarships have been funded through gifts, matching funds, donations from family, friends, churches, and/or organizations. NTS is grateful to donors who provide funding for student scholarships. Through the NTS application and admission process for new students, and the NTS scholarship application for current and returning students, awards are made from one or more of the following funds:

Master of Divinity

The Master of Divinity (MDiv) degree is the central degree program of NTS. Its purpose is to prepare persons for pastoral and spiritual leadership in congregations and other settings. It is the normative degree for those preparing for ordained ministry. The MDiv program provides both breadth of exposure and depth of understanding for theological disciplines and ministry skills. It prepares persons for pastoral responsibilities by providing opportunities for the integration of theological study, personal and professional formation, and the practice of ministry in congregational, community, and cross-cultural contexts.

Objectives

The overall goal of the NTS curriculum is the development of students toward mature mind and character appropriate for service in the various ministries of the Church. Such a Christian spiritual formation takes place through knowledge of the Triune God of Christian faith and the life and mission of the Church. This knowledge is demonstrated in the MDiv degree program as students are able to:

1. Integrate practices of the Christian formation and personal discipline for a growing knowledge of God and self.

2. Apply the scholarly study of the Christian Scriptures to personal and corporate Christian life.

3. Apply the scholarly study of the history and theology of the Christian faith to personal and corporate Christian life.

4. Integrate gifts and practical skills to develop vocational identity as a minister of the Gospel of Jesus Christ.

5. Analyze cultural contexts to enable the minister and the Church to proclaim and embody the mission of God in ways appropriate to those contexts.

Duration

The MDiv Degree can be completed in 3 or 4 years. The maximum time allowed for the completion of the program is 9 calendar years from the date of enrolling in the first course taken in the program. A candidate for this degree must complete a total of 76 credit hours. No more than 36 credit hours may be transferred toward this degree. Students who transfer in course credits may be required to provide documentation (e.g., syllabi or letter from Registrar) for any prior courses to be applied toward the MDiv.

Average of “C” or higher
A candidate for the MDiv Degree must have a cumulative GPA of 2.0 on a 4.0 scale or higher over the entire program to qualify for graduation. Further, only those students who have an average of "B" or higher will be recommended for advanced study beyond the MDiv.

**Contextual Education (CTE)**

Contextual education creates space for ministry students to examine their assumptions, question their intuition and reflexes, and develop disciplined approaches to linking theology and practice. The contextual education experience seeks to integrate the student’s current studies to ministerial realities through mentored activities with both NTS faculty and site supervisors in the field.

**Pre-graduation Assessment**

**Assessment Portfolio**

A process of assessment of each student will begin with PTH500 (Core Relationships for Christian Ministry). Each student will begin an Assessment Portfolio in that class and will add materials to the portfolio at specific stages along his or her progress toward completion of the MDiv program. The portfolio will be available for self-assessment as the student completes the MDiv Progress Reflection. It will be used in a summative way for both student and program assessment in conjunction with the student's Senior Integrative Seminar.

**Senior Integrative Seminar**

Each MDiv senior (49 hours and above) who has:

1. At least a 2.0 cumulative GPA,
2. No more than 2 semesters remaining for degree completion (including the semester in which the seminar is taken),
3. Successfully completed the MDiv Progress Reflection, and
4. Is in the final year of Contextual Education, must participate in PTH800, Senior Integrative Seminar.

The seminar is designed as a summative evaluative experience of one's seminary career. It focuses on evaluating a student's progress toward achieving the goals and objectives of the MDiv degree. The seminar is led by a professor, a pastor, and faculty resource persons. It investigates personal and professional development, readiness for ministry, and provides a basis on which the faculty can assess its own efforts at theological education.
Any student who transfers to NTS may not take the Senior Integrative Seminar until completing at least 1 semester at NTS; no student may graduate without having successfully completed the seminar.

Approval of the Faculty

A student who has completed all the academic requirements for the MDiv Degree must receive the approval of the faculty before the degree is conferred. NTS reserves the right to withhold the conferring of the degree if a student's basic moral and ethical conduct is unbecoming to a Christian worker.

Approval for Writing a Thesis

A student may choose to write a thesis after successful completion of 39-credit hours with a GPA above 3.5 in a select field of specialized study equivalent to 3-credit hours. The thesis project must be approved by NTS faculty, which will in turn appoint an examination committee. With the petition, a student must present a thesis topic and a tentative outline. After final approval of the completed thesis, 2 copies (one digital and one print) are to be placed in the NTS library.

Preparation for Ordination

The NTS MDiv in Pastoral Ministry or Chaplaincy has been certified by COSAC, ICOSAC, and the General Board of the Church of the Nazarene as fulfilling the educational requirements prescribed for ordination as Elder in the Church of the Nazarene.

In-Person Learning

The NTS MDiv degree is offered in a hybrid format, which blends synchronous video-conferencing and asynchronous instruction with face-to-face learning opportunities. The MDiv includes four, one-week, face-to-face gatherings on NTS's Kansas City campus during the fall semester. The face-to-face week, called Convene, coincides with required MDiv courses offered each fall semester.

Course Options

The general policy of NTS on course options is described in the admissions information section of this catalog. Students entering the MDiv degree program will be informed by the Office of Enrollment Services after careful evaluation of their transcripts whether they are eligible for course options.

Master of Arts in Transformational Leadership with Specialization

The master’s degree program in Transformational Leadership provides students with the opportunity to integrate various disciplines and specialties with theological and ministerial foundations. The MATL supports ministry leadership in multiple professions and industries, including the church, but is not intended to provide comprehensive preparation for professional clergy.

Objectives

The overall goal of the NTS curriculum is the development of students for service in the various ministries of the Church. Such a Christian spiritual formation takes place through knowledge of the Triune God and the life and mission of the Church. This knowledge is demonstrated in the MATL degree program with reference to specialized fields as students are able to:

1. Develop a practical theology of Christian ministry grounded in the Christian theological heritage and a vision of the transformed life.
2. Interpret the factors that constitute the contexts in which the Church participates in the missio Dei.
3. Integrate critical and constructive theological reflection with an area of specialization.
4. Develop leadership skills for transformation of persons and communities in an area of specialization.

Duration

The MATL Degree can be completed in 2 years for full-time students and 3 years for part-time students. The maximum time allowed for the completion of the program is eight calendar years from the date of enrolling in the first course taken in the program. A candidate for this degree must complete a total of 36 credit hours. No more than 18 hours may be transferred in toward the specialization. No more than 6 hours may be granted as advanced standing for upper-division, undergraduate credits toward the specialization and cannot be combined with transferred credit hours.

Average of “C” or Higher

A candidate for the MATL Degree must have a cumulative GPA of 2.0 on a 4.0 scale or higher over the entire program to qualify for graduation.
Practicum

The MATL Degree requires 2-credit hours of practicum where students will integrate their study of the theological disciplines with their specialization in a professional setting.

Specialization

Students may tailor a specialization or select a pre-established specialization. Specializations should be approved in the first semester of the program following completion of a Specialization Learning Plan and consultation with the Specialization Advisor.

Pre-graduation Assessment

Senior Seminar

The candidate for the MATL Degree will participate in a Seminar in Transformational Leadership. The seminar will be administered by faculty and other resource persons. The seminar will focus on both theoretical and practical concepts related to the general core and the student's specialization.

Approval of the Faculty

A student who has completed all the academic requirements for the MATL Degree must receive the approval of the faculty before the degree is conferred. NTS reserves the right to withhold the conferring of the degree if a student's basic moral or ethical conduct is unbecoming to the Christian worker.

In-Person Learning

The NTS MATL degree is offered in a hybrid format, which blends synchronous video-conferencing and asynchronous instruction with face-to-face learning opportunities. Doctor of Ministry

The Doctor of Ministry (DMin) is an advanced, professional theological degree for ministerial leaders. The NTS DMin is designed for educated and experienced practitioners to explore advanced integration of theory and practice through contextualized education and interdisciplinary approaches.

The Doctor of Ministry (DMin) program at NTS employs specialized tracks in core theological disciplines. Each track engages key experts and leaders through rich learning experiences and cohort-based communities. Students tailor their research alongside Faculty Advisors to address critical issues pertinent to their context.

Objectives

The overall goal of the NTS curriculum is the development of students toward mature mind and character appropriate for service in the various ministries of the Church. Such a Christian spiritual formation can take place only through a deepening knowledge of the Triune God of Christian faith and of the life and mission of the Church. This deepening knowledge is pursued in the DMin degree program in greater measure that accomplished in the MDiv through the following objectives:

1. Integration of academic abilities, research methods, and advanced ministry skills to develop creative forms and modes of engagement in mission.
2. Growth in self-understanding, self-evaluation, and self-direction in regard to lifelong study, increased knowledge and skills in human relationships, spiritual growth, and leadership potential in various ministry contexts.
3. Growth in understanding of and appreciation for the integration of Scripture, reason, tradition, and experience.
4. Formation of a theology of ministry grounded in understanding of and participation in the mission of God in the world.

Duration

Upon acceptance into the program, students sign an Enrollment Confirmation Form indicating which seminar course will be the first (the program acceptance is valid for the next seminar for which the student is eligible.) The student is then expected to maintain continuous enrollment. Further, the student is expected to responsibly work with Faculty Advisors in planning and executing the dissertation in a timely fashion.

The program duration policy of the DMin program at NTS complies with policy set by the Association of Theological Schools (ATS). The policy reads: The DMin program requires the equivalent of one full year of academic study and, in addition, the completion of the DMin project. The normal time for completion of the degree shall not be less than three nor more than
The six-year clock begins with the date of the first semester. Requests for an extension beyond the six-year limit must be in writing to the NTS Faculty and supported by documentation explaining the need and making a case for a new deadline. Requests must be submitted through the Associate Director of the DMin Program.

NOTE: Army Chaplains will receive no “time-to-completion” penalties if deployed and will not be charged any continuation/sustaining fees during deployment.

Overview & Sequence

The Doctor of Ministry Program is a cohort program with distinct tracks of study. Each track consists of two years of coursework followed by a year for writing the final dissertation project.

Graduation Requirements

Candidates for the DMin degree will be eligible for graduation from the program when the following requirements have been met:

- Maintenance of a cumulative GPA of 3.0 or higher;
- Successful oral presentation and defense of the dissertation;
- Approval by NTS Faculty vote, and
- Submission of a satisfactory final library edition of the dissertation.

Detailed Information

Information about the DMin degree can be found at www.nts.edu/dmin.

Advanced Graduate Certificate or Diploma

The Advanced Graduate Certificate or Diploma (AGC or AGD) Program is a post-master’s course of study for those interested in concentrated doctoral-level coursework in applied theology. The AGC or AGD may be earned as a stand-alone credential or serve as an entrée into the Doctor of Ministry program.

1. Admission requirements to the AGC or AGD program are identical to that of the Doctor of Ministry program. The application form is the same. Admission priority is given to degree seeking students. The Doctor of Ministry Advisory Committee will review and make decisions on all AGC and AGD applications.

2. AGC: Once admitted, a student will earn the AGC following completion of the core Doctor of Ministry courses for a total of 15 credit hours with an average GPA of no less than 2.5.

3. AGD: Once admitted, a student will earn the AGD following completion of the core Doctor of Ministry courses plus Customized Courses with a faculty advisor for a total of 27 credit hours with an average GPA of no less than 2.5.

4. An AGC or AGD program student who wishes to advance to the Doctor of Ministry program must make a formal request to the Doctor of Ministry Advisory Committee through the Director of the Doctor of Ministry, following successful completion of the two core courses and prior to the third colloquy. An AGC or AGD student accepted into the Doctor of Ministry program will receive full credit for core courses already completed, provided the student has maintained an average GPA of no less than 3.0.

5. A DMin student who decides not to complete a dissertation or who is prohibited from doing so by decision of the NTS Faculty, and who will not complete the Doctor of Ministry degree, may earn the Advanced Graduate Certificate or Diploma upon successful completion of the needed courses and required credit hours with an average GPA of no less than 2.5.
Master’s Level Certificates & Diplomas

NTS occasionally offers Certificate and Diploma programs that complement its master-level degree programs. Certificates and Diplomas are non-degree programs that address specialized areas of study and may be earned in conjunction with a degree. Certificates require 12 or more credit hours and Diploma programs require 24 or more credit hours. Degree seeking students who desire to complete a Certificate or Diploma in conjunction with their degree must notify the Registrar to ensure compatibility. The purposes of the Certificates and Diplomas are:

1. To offer a substantial measure of graduate theological education to qualified persons who, for various reasons, cannot pursue one of the masters’ degrees.

2. To provide certified ministry focus in conjunction with earning one of the masters’ degrees.

To be admitted to a Certificate or Diploma program a student must satisfy the criteria for admission to NTS. Work done to fulfill Certificate and Diploma requirements can be applied to one of the masters’ degrees provided the time between completing the Certificate or Diploma and beginning the masters’ degree programs does not exceed 10 years.

**Drug and Alcohol Abuse Prevention Program**

The Drug and Alcohol Abuse Prevention Program of Nazarene Theological Seminary is written to comply with "The Drug-Free Schools and Communities Act Amendments of 1989" (Public Law 101-226).

**Standards of Conduct**

Nazarene Theological Seminary is an official institution of the Church of the Nazarene and supports the covenant of Christian Conduct set forth in the Manual of the Church of the Nazarene. Positively, these rules emphasize wholesome and character-building modes of conduct. Negatively, the rules prohibit the drinking of alcoholic beverages; illegal use of narcotic or hallucinatory drugs; the use of tobacco in any form, or marijuana; immoral sexual conduct; gambling; use of profane or vulgar language; and possession of obscene literature. In addition, disorderly or destructive conduct is not in harmony with the goal of character building, and will not be tolerated. The unlawful possession, use, or distribution of illicit drugs and alcohol by students and/or employees on the property of Nazarene Theological Seminary or at any of the activities sponsored by the institution is considered to be sufficient reason for dismissing a person as a student in the institution and for terminating the service of an employee.
Violation of Seminary policies or regulations can, upon review by the Seminary administration, result in dismissal from this institution. The decision regarding whether or not the infraction warrants dismissal will be made by the President, Dean of the Faculty, and Dean for Administration.

The Drug and Alcohol Abuse Prevention policy of Nazarene Theological Seminary provides that either a student or an employee may, upon the first infraction of the code of conduct stated above, be dismissed as a student or terminated as an employee. Because of circumstances the Seminary administration may judge to be of a mitigating nature, it may choose not to dismiss a student or to terminate the services of an employee. In such cases the offending party will be required to participate in a Drug Abuse Prevention Program administered by Center Point Counseling and Recovery Center, 9221 Ward Parkway, Kansas City, MO (816-444-5511). Cost for participating in the program will be borne by the employee or student. A person who participates in the Center Point program will be considered on probation until Center Point certifies that he/she has successfully completed the Center Point Drug Rehabilitation Program.

**Drug and Alcohol Rehabilitation Programs Available to Students and Employees**

Nazarene Theological Seminary has entered into an agreement with Center Point Counseling and Recovery Center of Kansas City, MO. According to the agreement, Center Point will conduct any drug or alcohol program needed by a student or an employee of Nazarene Theological Seminary. Center Point, therefore, is the primary agency through which all drug rehabilitation, needed by students or employees of Nazarene Theological Seminary, will be conducted.

**Institution-Imposed Sanctions**

The sanctions imposed by Nazarene Theological Seminary on students or employees who violate the code of conduct are stated in the official Student Handbook of the institution. Breaking either local, state or federal laws against drug or alcohol abuse will include expulsion or termination of employment. The Seminary retains the right to dismiss a student or terminate an employee upon the first infraction against local, state or federal law. The seminary administration, after a review of all circumstances, may choose to refer the offender to Center Point Counseling and Recovery Center, Kansas City, MO for participation in the Center Point Drug Rehabilitation Program. If the administration of the institution chooses to refer a student or employee to Center Point rather than to either dismiss the student or terminate the employee, then the person participating in the Center Point program will be placed on probation until Center Point certifies successful completion of its rehabilitation program.

**Legal Sanctions and Health Effects of Illicit Drug and Alcohol Use**
Because of the harmful effects of alcohol and drug abuse, local, state and federal governments have enacted laws making it a criminal offense to unlawfully possess, use or distribute illicit drugs or alcohol. These laws cover the “one time,” “social” or “recreational” users, as well as the alcoholic and drug addict. To assist you in understanding the potential legal implications of such conduct, a summary of the criminal sanctions that may be imposed under local, state, and federal laws is provided below.

**Alcohol**

In general, Congress has the power to regulate importing and taxing alcohol beverages. Also, the primary Federal law governing alcohol policy is the 21st Amendment, which repealed national prohibition. Congress retains the power to use financial and tax incentives to promote certain alcohol policies, such as the minimum legal drinking age. The Federal Uniform Drinking Age Act of 1984 sets the minimum legal drinking age to 21 and every State abides by that standard.

**Health Effects**

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described. Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver. Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

Illicit Drugs

Health Effects

Here are a few realities to consider:

- You can’t predict the effect that a drug can have on you—especially if it’s the first time you try it, and even if it’s a small amount or dose. Everyone's brain and body chemistry are different. Everyone's tolerance for drugs is different.
- Using drugs can lead to abuse, addiction, serious health problems, and even death.
- Drugs that are legal—prescription and over-the counter (OTC) medications—can be just as dangerous as illegal drugs.

The charts provided by the federal government are available in the Student Handbook. These charts contain a description of health risks associated with substances covered by the Controlled Substances Act (21 U.S.C. 811) and is taken from a Department of Justice publication entitled Drugs of Abuse (1989 Edition).

Sanctions

The severity of sanctions imposed for both possession and distribution offenses depend on the quantity of drugs, prior convictions, and whether death or serious injury resulted. Sanctions may be increased for offenses that involve distribution to minors or occur on or near Seminary premises. In addition, other federal laws require or permit forfeiture of personal or real property used to illegally possess, facilitate possession, transport or conceal a controlled substance. A
person’s right to purchase or receive a firearm or receive federal benefits, such as student loans, grants, contracts, or professional or commercial licenses, may also be revoked or denied as a result of drug conviction.

Drug Houses

Prohibited. No person shall knowingly keep, maintain, use or occupy any room, building or structure which is used for the illegal use, keeping or selling of controlled substances.

Penalty. Any person convicted of a violation of this section shall be punished by a fine of not more than $500.00 or imprisonment for a period not to exceed six months, or by both fine and imprisonment.

Drug Paraphernalia

Drug paraphernalia means all equipment, products and materials of any kind which are used or intended for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, storing, containing, concealing, injecting, ingesting, inhaling or otherwise introducing into the human body a controlled substance or imitation controlled substance, as defined in RSMo 195.010(22), in violation of RSMo 195.005—195.425, as amended. Drug paraphernalia is prohibited.

Any person found guilty of violation of this section shall be punished by imprisonment at the municipal correctional institution for not less than 15 days and not more than six months, or by a fine of not less than $100.00 and not more than $500.00, or by both such fine and imprisonment.

State – Missouri – Obtained from Missouri Revised Statutes Chapter 311 Liquor Control Law at http://www.moga.mo.gov/STATUTES/C195.HTM.
